This study will be facilitated by Kelly Claudon and other adult volunteers and

Real Life.

Real Issues.

Real Answers.

Shelley, Denise, Leigh, and Heather are *Point of Grace*, an all female Christian Band, who using wit, wisdom and insight, talk about real issues facing young women today: Words, Worth, Relationships and Me. Using the Bible studies, devotionals, and questions we will seek out who God is in our lives and how we live a life true to God and to ourselves.

Words: Shelley takes frank look at the impact our words have on those around us and shares both positive and negative aspects of girl's *gift of gab*.

Worth: Denise opens up authentic discussion on the topic of self-esteem, self-evaluation, and self-growth. While pointing us to God, she calls us to *Become Who We Really Are*.

Relationships: Leigh reveals the value of mentors, cheerleaders and referees in our personal lives. As she explores *The Games Girls Play*, she takes an honest look at the choices each of us can make.

Me: Heather affirms the value of each girl, lovingly created in the image of God. As His special creation, *We are God's Mirror to the World*.
