Introduction to Acrylic and Oil Painting

Wednesdays ★ 6:30 – 8:30 pm
Elementary Pod, with Kevin Whitley
January 20 – February 24 ★ \$100 fee.

Ever wonder how Monet, Degas, and Renoir captured such beauty in the natural world? Now you can learn some of the very techniques that they and other Impressionist masters perfected during one of the golden ages of French painting. This 6-week class explores the techniques of mixing, blending, and capturing light and shadow in your choice of Acrylic or Oil paint. Experience the basics of color theory and impasto painting with brush and palette knife. This class is for both the experienced and the novice, as we all learn from each other. The class will culminate with an exhibition of our work during “Coffee and...” time. List of supplies will be available at time of registration. No childcare.
